

CURRICULUM VITA

Abul K. Abbas

EDUCATION:

1969 MBBS (MD equivalent) All-India Institute of Medical Sciences, New Delhi, India

POSTDOCTORAL TRAINING:

Internship and Residencies:

1969-1970 House Officer in Medicine, All-India Institute of Medical Sciences, New Delhi, India
1970-1971 Intern in Pathology, Peter Bent Brigham Hospital, Boston
1971-1972 Junior Assistant Resident in Pathology, Peter Bent Brigham Hospital
1972-1973 Resident, Chief Resident in Pathology, Peter Bent Brigham Hospital

Research Fellowships:

1973-1975 Research Fellow, Department of Pathology, Harvard Medical School, Boston
1975-1977 Visiting Scientist, Division of Immunology, National Institute for Medical Research, Mill Hill, London, England

LICENSURE AND CERTIFICATION:

1973 Board of Registration in Medicine, Commonwealth of Massachusetts
1974 American Board of Pathology (Anatomic Pathology)

ACADEMIC APPOINTMENTS:

1977-1981 Assistant Professor of Pathology, Harvard Medical School
1981-1991 Associate Professor of Pathology, Harvard Medical School
1991-1999 Professor of Pathology, Harvard Medical School
1999-2010 Professor and Chair, Department of Pathology, University of California San Francisco School of Medicine
2011- Distinguished Professor in Pathology and Chair, Department of Pathology, University of California San Francisco School of Medicine

HOSPITAL APPOINTMENTS:

1977-1999 Staff Pathologist, Brigham and Women's Hospital, Boston
1991-1999 Head, Immunology Research Division, Department of Pathology, Brigham and Women's Hospital, Boston

AWARDS AND HONORS:

1968 Nuffield Scholar, University of Leeds Medical School, Leeds, England
1969 Institute Gold Medal, All-India Institute of Medical Sciences, New Delhi, India
1987 Warner-Lambert/Parke-Davis Award, American Association of Pathologists
1988 Irving M. London Teaching Award, Harvard-MIT Division of Health Sciences and Technology
1990 Burroughs-Wellcome Visiting Professor, Universidad Centrale del Caribe, San Juan, PR
1990 Meyer Bodansky Lecturer and McLaughlin Scholar, University of Texas Medical Branch at Galveston
1994 Harvard Medical School Faculty Prize for Excellence in Teaching
1994-2004 NIH MERIT Award
1995 Pre-Clinical Teaching Award, Harvard Medical School
1999 15th Brindley Visiting Professor, University of Texas Medical Branch at Galveston
2002 Pfizer Visiting Professor, Creighton University
2002 Member, Institute of Medicine, National Academy of Sciences
2002, 2008, 2010 Outstanding Lecture Series, UCSF School of Medicine
2002-2003 Vice-President, American Society of Investigative Pathology
2003-2004 President, American Society of Investigative Pathology
2004 Jack Battisto Lecturer, Cleveland Clinic Foundation
2005 Ramzi S. Cotran Memorial Lecture, New England Society of Pathologists, Boston
2006 Melville Hare Lecturer, University of Rochester School of Medicine
2006 John H. Siegel, MD Distinguished Lecturer, University of Medicine and Dentistry of New Jersey
2007 Latta Lecturer, UCLA, Los Angeles
2008 Rous-Whipple Award, American Society for Investigative Pathology
2009 Fellow, American Academy of Arts and Sciences
2010 Honorary Member, Scandinavian Society of Immunology
2010 Robbins Distinguished Educator Award, American Society of Investigative Pathology
2011-2013 President, Federation of Clinical Immunology Societies (FOCIS)
2102 Leskowitz Lecturer, Tufts University
2013 Honorary Member, South African Immunology Society
2017 Lifetime Achievement in Mentoring Award, UCSF

EDITORIAL BOARDS:

1981-1985	Associate Editor, The Journal of Immunology
1987-1991	Section Editor, The Journal of Immunology
1992-1996	Associate Editor, American Journal of Pathology
1993-1996	Editor, Immunity
1997-	Editorial Board, Immunity
1997-2000	Editorial Board, Journal of Clinical Immunology
2000-2010	Associate Editor, Cell
2004-	Founding Editor and Co-editor, Annual Review of Pathology: Mechanisms of Disease
2012-2017	Consulting Editor, Journal of Clinical Investigation
2016-	Chief Scientific Advisor, Science Immunology

COMMITTEE APPOINTMENTS:

National/International

1984-1988	Pathology B Study Section, NIH (Member 1984-1986; Chairman 1986-1988)
1988-93; 97-99	Member, Overseas Advisory Committee for Biotechnology, Government of India
1989	Section Chairman, National Institute of Allergy and Infectious Disease Task Force on "Initiatives in Immunology and Allergy", NIH
1992-1996	Member, Nominating Committee, American Society of Investigative Pathology
1994-1996	Member, Program Committee, American Association of Immunologists
1994	Member, NIAID/NIA Task Force on Immunobiology of Aging
1994-1997	Member, Committee on Pathogenesis, WHO Special Program for Research & Training in Tropical Diseases, Geneva
1994-1996	Member, Cross-Step Task Force on Immunity, National Board of Medical Examiners
1994-1996	Consultant, Genetics Institute, Inc., Cambridge, MA
1994-1998	Consultant, Millennium, Inc., Cambridge, MA
1994-1997	Scientific Advisory Committee, Knapp Center for Immunology, University of Chicago
1995-1996	Member, NIH AIDS Research Program Evaluation Working Group, Office of AIDS Research, NIH
1996-2000	Board of Scientific Counselors, NIAID, NIH
1996-1999	Chairman, Education Committee, American Association of Immunologists
1996-1999	Scientific Advisory Board, Megabios Corporation, Burlingame, CA
1998-2007	Organizing Committees, International Congress of Immunology (New Delhi 1998; Montreal 2004; Rio de Janeiro 2007)

1999- Scientific Advisory Board, Entelos Corporation, Palo Alto, CA
1999-2000 Chairman, Nominating Committee, American Association of Immunologists
2000-2004 Member, Steering Committee, Midwinter Conference of Immunologists
2000-2003 Consultant, Genentech Inc., South San Francisco, CA
2001-2007 Scientific Advisory Board, Lexicon Genetics
2005, 2008 Consultant, Novartis Institute of Biomedical Research
2004-2009 Vice Chair of Education Committee, Federation of Clinical Immunology Societies
2004- Member, Executive Committee and Board of Directors, Federation of Clinical Immunology Societies
2011- Scientific Advisory Board, UCB Pharma
2016- Scientific Advisory Board, Celgene
2016- Scientific Advisory Board, ILTOO Pharma

Harvard Medical School/Brigham & Women's Hospital

1988-1996 Member, Steering Committee, Harvard Medical School Committee on Immunology
1988-1991 Member, Curriculum Committee, Harvard-MIT Division of Health Sciences & Technology
1988-1990 Co-chairman, Brigham & Women's Hospital Animal Users Committee
1986-1991 Board of Directors, Brigham & Women's Hospital Pathology Foundation
1989-1999 Co-Director, Training Program, Department of Pathology, Brigham and Women's Hospital
1990-1993 Member, Alumni Council, Brigham & Women's Hospital
1994-1995 Scientific Advisory Committee, General Clinical Research Center, Brigham & Women's Hospital
1995-1998 Subcommittee of Professors, Harvard Medical School
1995-1996 Faculty Council, Harvard Medical School
1996-1999 Member, Brigham and Women's Hospital Research Council; Chairman, Infrastructure and Operations Subcommittee
1997-1999 Member, Executive Committee, Program in Immunology, Harvard Medical School
1997-1998 Member, Partners Committee on Senior Appointments

University of California San Francisco

1999-2000 Member, Strategic Planning Committee
1999-2000 Member, Essential Core Curriculum Steering Committee
2000-2003 Member, Executive Committee, Clinical Cancer Center
2001-2004 Member, Long Range Planning Committee
2002-2010 Council, Medical Scientists' Training Program
2002-2010 Council, Molecular Medicine Training Program
2002-2004 Member, UCSF Parnassus Heights Leadership Council

2008-2017 Member, Review Committee Sandler Program in Breakthrough
Biomedical Research
2010- 2013 Member, UCSF Space Committee
2011-2012 Member, Long Range Planning Committee

MEMBERSHIPS IN PROFESSIONAL SOCIETIES:

1976 American Association of Pathologists
1978 American Association of Immunologists

TEACHING EXPERIENCE:

Harvard Medical School

1972-1974 Teaching Fellow, Harvard Medical School (Laboratory Instructor, General Pathology and Renal Pathophysiology)
1977-1986 Principal faculty (Lecturer & Laboratory Instructor), Human Pathology course (HST 030) of the Harvard-MIT Program in Health Sciences and Technology
1987-1991 Course Director, Cellular and Molecular Immunology course (HST 175) of the Harvard-MIT Program in Health Sciences & Technology
1991-1996 Principal Faculty, Cellular and Molecular Immunology course (HST 175) of the Harvard-MIT Program in Health Sciences & Technology
1991-1999 Co-Director, Identity, Microbes & Defense Course, Harvard Medical School (Director of Immunology section)

University of California San Francisco

2001- Principal faculty, second year medical school course, Medical Immunology
1999-2003 Faculty, Graduate Immunology course
2003-2008 Faculty, first year medical school course, Prologue

US-Canadian Academy of Pathology

1986-1991 Guest faculty, Pathobiology Update course
1987-1991 Co-Director, Pathobiology Update course
1992-1996 Director, Course on Mechanisms of Immunologic Diseases

PRINCIPAL CLINICAL AND HOSPITAL SERVICE RESPONSIBILITIES

1977-1999 Staff Pathologist, Brigham and Women's Hospital, Boston

MAJOR RESEARCH INTERESTS

1. Cellular interactions in immune responses
2. Tolerance and autoimmunity
3. Cytokines
4. Lymphocyte apoptosis

INVITED LECTURES (last three years)

2014

- January South African Immunology Society, Cape Town, South Africa
Midwinter Immunology Conference, Asilomar, CA
- March 9th International Congress on Autoimmunity, Nice, France
- June Annual Meeting of Scandinavian Society for Immunology, Reykjavik, Iceland
European Academy of Allergy and Clinical Immunology Congress, Copenhagen, Denmark
- September Peruvian International Immunology Congress, Lima, Peru
- November Fourth International Conference on Regulatory T Cells and Th Subsets and Clinical Application in Human Disease, Shanghai, China
Advanced Course in Basic and Clinical Immunology, Allergy, Asthma and Immunology Association of Thailand, Bangkok, Thailand

2015

- March World Immune Regulation Meeting, Davos, Switzerland
- April Immunology of Diabetes Society Meeting, Munich, Germany
Karolinska Institut, Stockholm, Sweden
- June Immunogenicity Meeting, NHLBI, Bethesda
- September Aegean Autoimmunity Conference, Crete
- October Advanced Rheumatology Course, Abu Dhabi
- December Immunology Course, Salzburg, Austria

2016

- February European Immunogenicity Conference, Portugal
- April 10th Autoimmunity Conference, Leipzig, Germany
Immunology Course, Vienna, Austria

May	Immunology Course, University of Cambridge, UK
September	ASCIA Meeting, Gold Coast, Australia
October	FOCIS Europe Course, Paris, France
